The senior class of '58 has had a full three years at Parkrose High.

As sophomores they sold candy at the basketball games and also sponsored an all-school dance. Presenting the sophomore class assembly to the student body, was a lot of fun and a big success. The "Beachcomber's Ball" was also an informal all-school dance.

Sponsoring two after-game dances their junior year, and the class assembly featuring T.V. take-offs were some of their many activities. The Junior-Senior Prom, "Fantasia," at the Columbia Edgewater Country Club was the highlight of the year.

During their senior year, they sponsored a class assembly and the Senior Christmas Ball, "Silver Bells." The skip day and picnic near the end of school was a day of relaxation and fun for the seniors.

JUNIORS

CLASS of 1959

The class of 1959 has played a major part in the activities of the school and has been outstanding during the past two years.

As sophomores they participated on the hot dog committee and sold candy. Among their other money making projects were an after game dance, selling calenders, and selling scotch tape. Serving at the Junior-Senior Prom and the annual class assembly were other functions.

During their junior year, they co-sponsored a basketball rally and dance with the P.T.A. They also held three after game dances and presented the class assembly to the student body.

The traditional Junior-Senior Prom highlighted this year and proved to be an outstanding event.

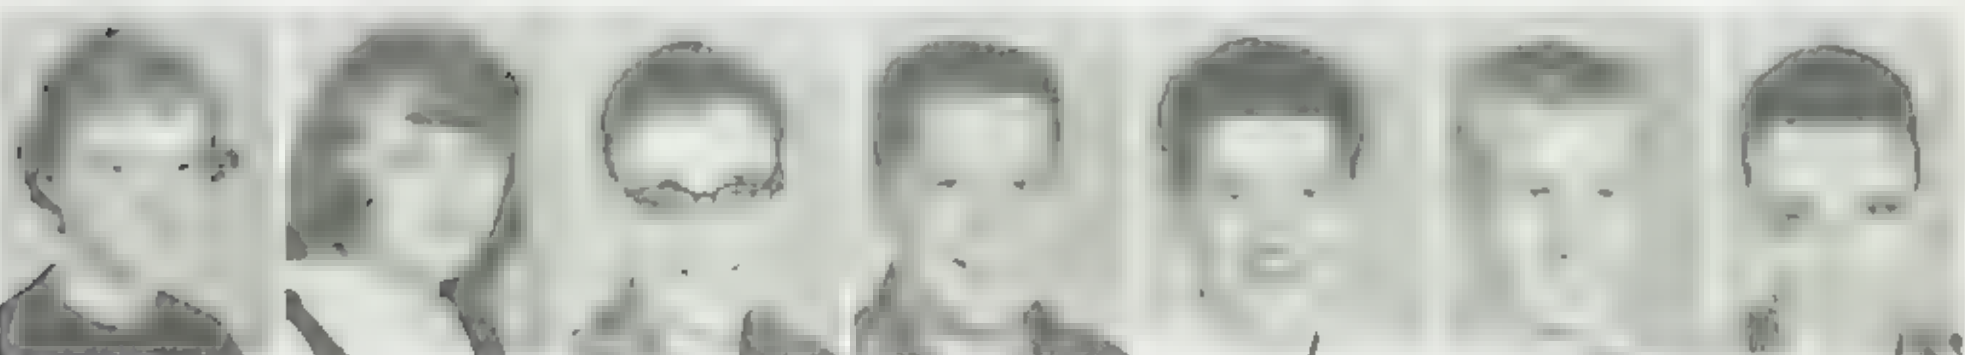

The Junior class owes many thanks to Mr. Johnson and Miss Nail for their guidance during this year.

SOPHOMORE HISTORY

Our sophomore class opened the year by fitting into the active pattern of high school life. They formed a successful hot dog committee to serve the students during football season. Their candy sales at the basketball games proved to be a financial success. The sponsoring of an after game dance was another one of their activities. The sophomores also served at the Junior-Senior Prom and presented their annual Sophomore Class Assembly to the student body. The sponsors for the class of '60 were Miss Dundore and Mr. Herrington. Much can be expected from this busy class.

by Mike Byerly, Sunday, March 23, 1958, "Parkrose Institute of Technology" successfully launched a rocket in the Prineville area to a height of 2400 feet. This rocket, Rebel 1, designed and constructed by Ron Dueltgen and Jim Wellman of the PIT High Altitude Research Laboratory, was launched with the able assistance and on the excellent facilities of the Crook County Rocket Club. This launch set a semi-official state record for the state of Oregon.

The six foot, two-stage rocket reached an altitude of 2400 feet and covered 2109 feet along the ground. It was launched at an angle of eight degrees from the vertical. The nose cone, which did not successfully separate as planned, was found imbedded in the hardpan of Central Oregon after Ron and Jim dug through three feet of soil. EXCHANGE STUDENT

Christina Manhem, our foreign exchange student from Sweden, arrived in Portland, August 20, 1957. Her home in Portland is with Mr. and Mrs. G. W. Young, parents of Dallas Young, Parkrose's foreign exchange student to Denmark last summer.

Although being frightened at the first thought of starting school, Kiki found that Parkrose was very enjoyable. When asked how she likes Parkrose she said, "I think Parkrose is unusually nice because everyone is so helpful and friendly."

Activities as well as studies have kept her busy. She had obtained membership in Tolo Na, Tri-Hi-Y, and Girls League. She also placed second in the Metro League Voice of Democracy Contest.

Kiki plans to further her education but her greatest ambition is to travel or become an Air Line Hostess.

We at Parkrose have enjoyed having Christina in our student body very much and we wish her all the luck in the world with her future.

VARISTY FOOTBALL

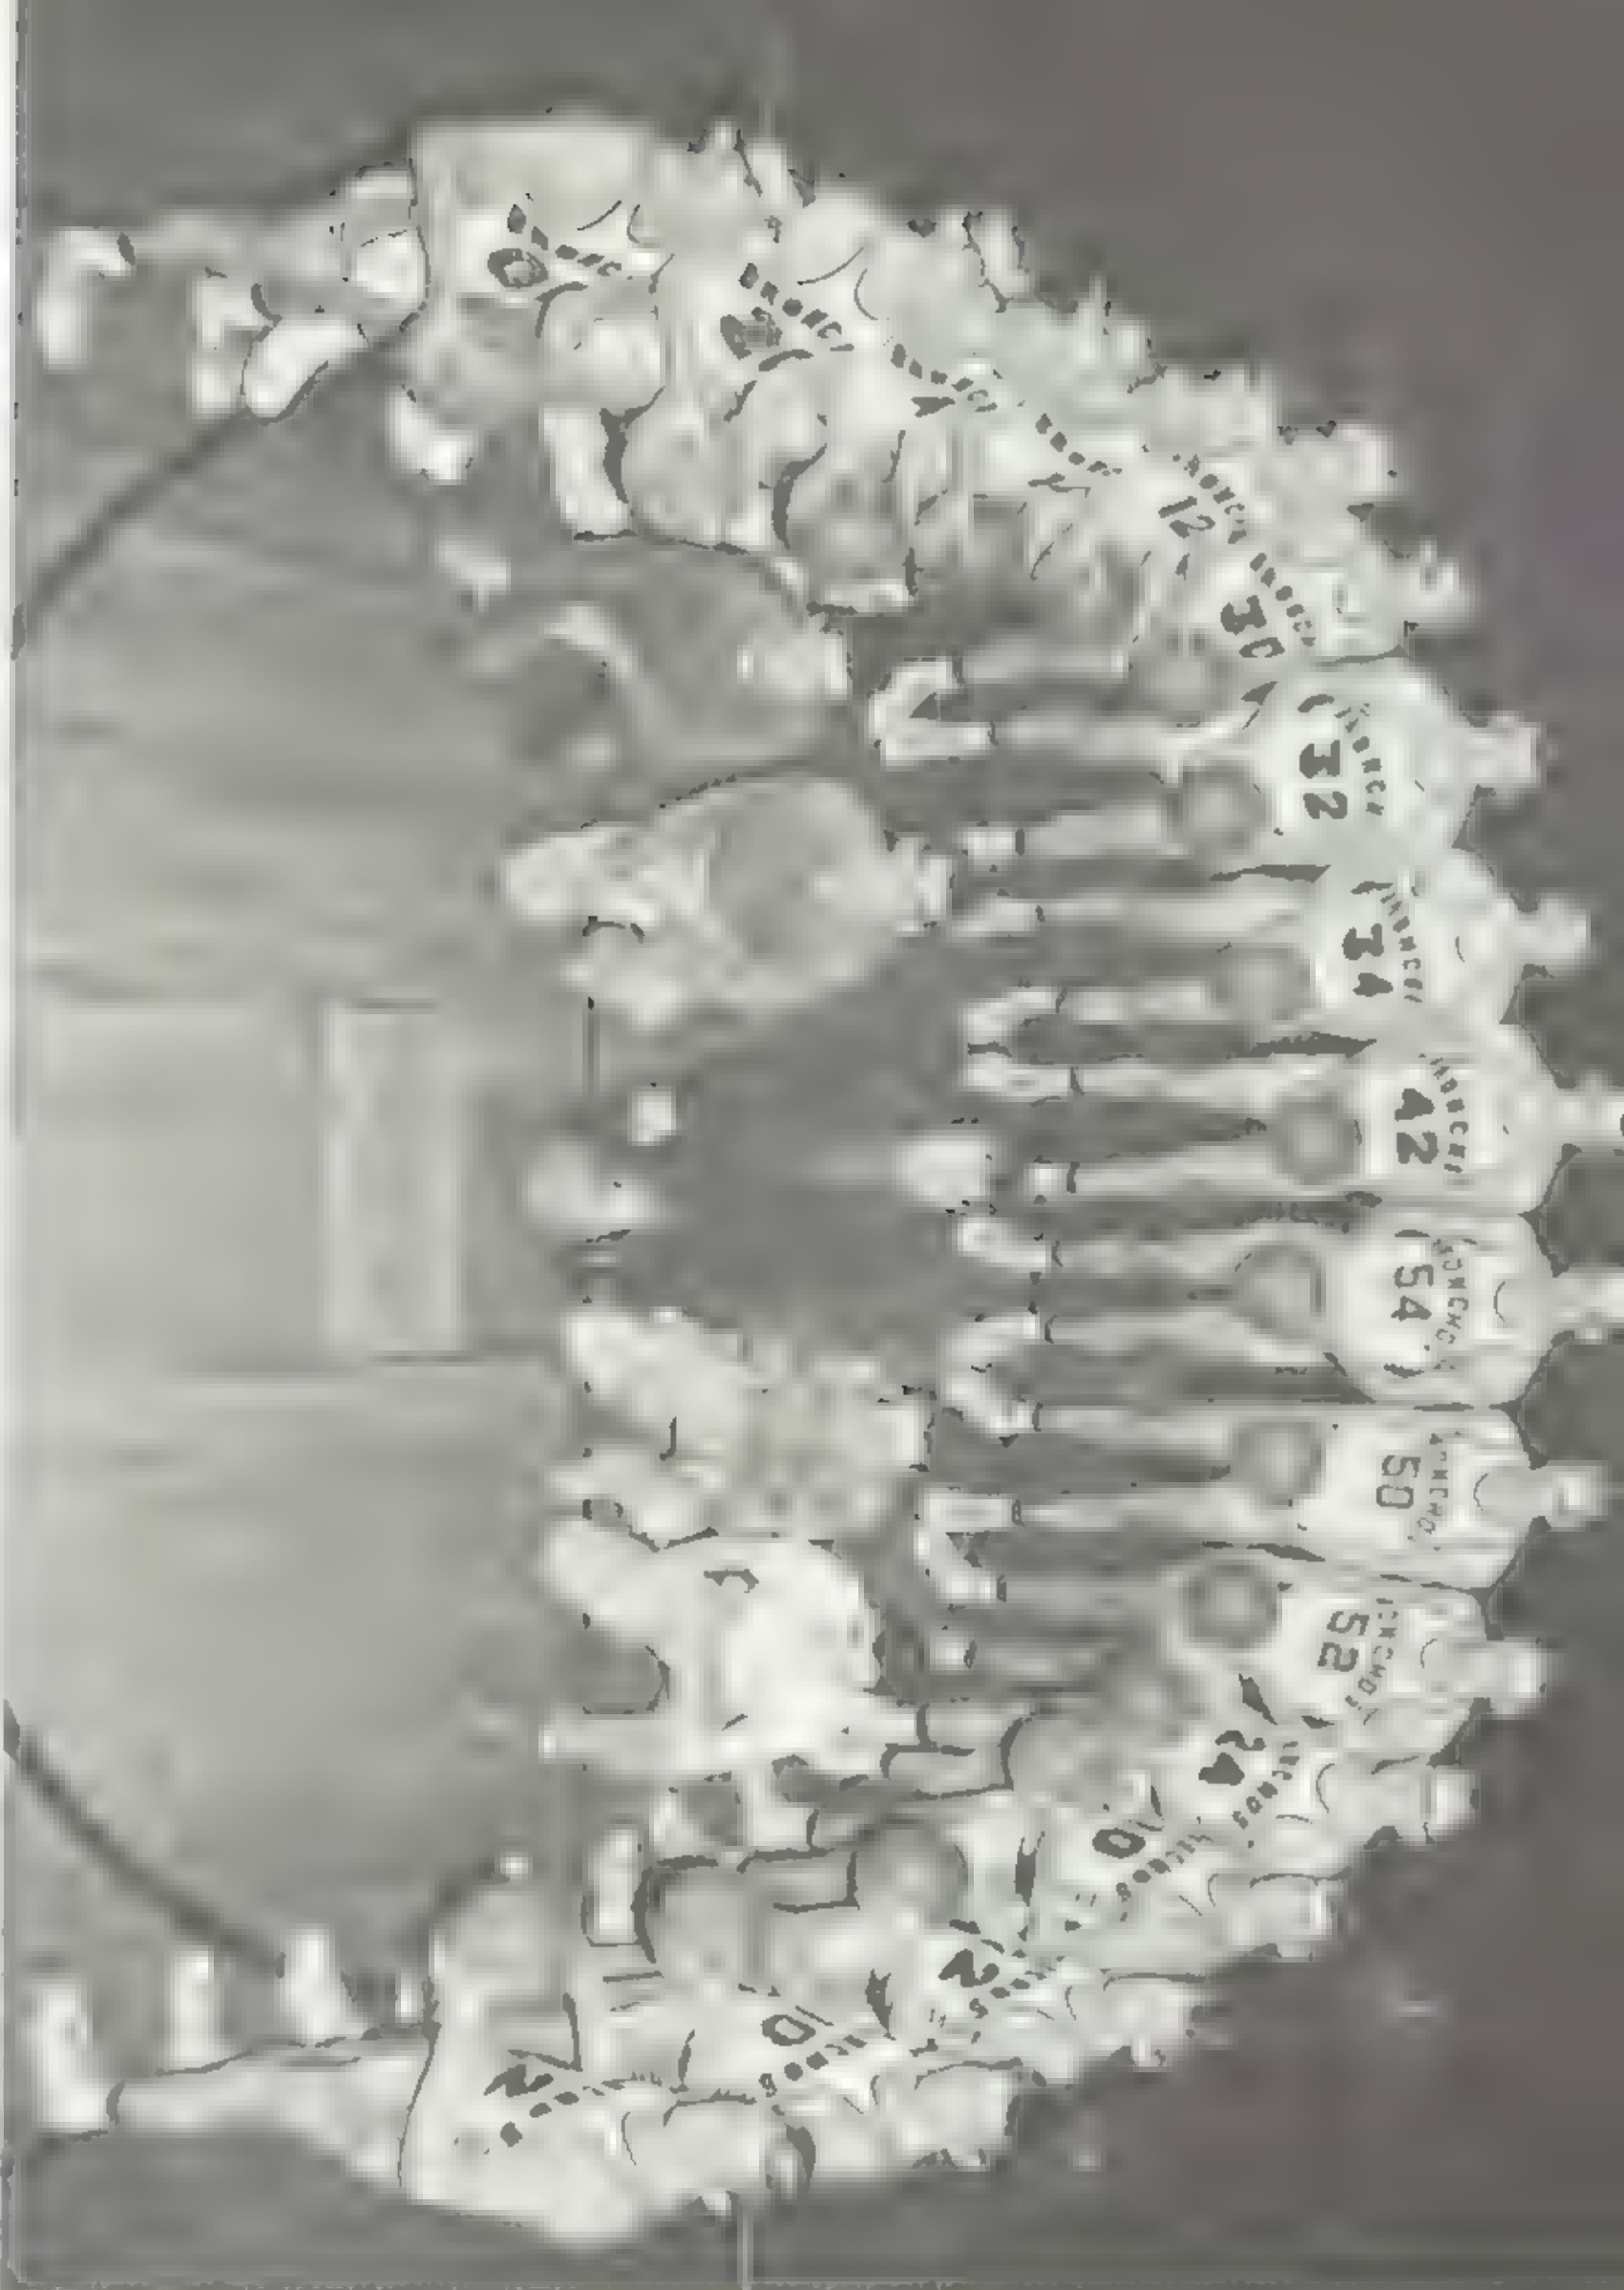

Inspirational player and co-captain Bill Long, Mike Writer co-captain.

"Although the 1957 season was not a success as far as the won and lost columns were concerned it had certain emoluments that are hard to come by. The willingness to compete with undying spirit in all games is fast becoming the trade brand of all Broncho football team. The fact that the squad remained intact all through the season is highly commendable. The "flu bug" took its toll from week to week and brought about a changed line up for each game. In spite of these handicaps the team carried on in the traditional manner and highlighted their "homecoming" with a resounding win over rival David Douglas 19 to 0. Next years prospects will also be inexperienced but they are well based in the fundamentals of the game and will carry on with the same fighting spirit as teams in the past have."

The Broncho's had an excellent pre-season record this year losing only one game to Reynolds. They opened the league with a decisive victory over arch rival Gresham. The next week found the Parkrose five defeating Central in a double overtime and Milwaukee in a triple overtime.

Injuries to key personal slowed the Broncho's victory round up. In a late season comeback the Bronc's upset a previously undefeated Astoria team 47-43 in overtime.
